We were pleased to welcome Jen Broxmeyer, Director of Governance at our client Meta, as a guest in our JenTalk Speaker series in the San Francisco office on Thursday, June 8.

Jen leads Meta's work on the Oversight Board, an independent body with members from around the world, created to answer some of the most difficult questions around freedom of speech online.

In the JenTalk, which was moderated by Partner Alison Stein, Jen discussed the founding and vision of the Oversight Board, how it operates, some of the difficult content cases the Oversight Board has addressed, and the Oversight Board's upcoming docket. Partner Ann O'Leary introduced the program.
