On June 29, 2023, Jenner & Block hosted a webinar immediately following the US Supreme Court's decisions in *Students for Fair Admissions v. Harvard/University of North Carolina (SFFA)*. In the webinar, Partners Ishan Bhabha, Lauren Hartz, and Matthew Hellman analyzed the decision and provided their perspectives on its scope, the immediate consequences for institutions of higher education, and what to expect next with regard to litigation and enforcement.

Jenner & Block's Education Practice has been at the forefront of these cases, representing numerous schools in *SFFA* and providing thought leadership on the risks surrounding race-conscious admissions programs. We look forward to continuing to help our clients in the wake of these important decisions.

With Jenner & Block's proud tradition of addressing high-impact social and equity issues in courts across the United States, and a passion for protecting diversity, equity, and inclusion in our society, our Organizational Values and Strategy Task Force is at the forefront of assisting clients of all types as they navigate the potential impacts of *SFFA*. **Access the Organizational Values and Strategy Resource Library.**
