

Jenner & Block Partner Precious Jacobs Named a Next Generation Lawyer

Recognition

June 22, 2023

The Cook County Bar Association's Next Generation Awards Committee selected Jenner & Block Partner Precious Jacobs as a 2023 Cook County Bar Association Next Generation recipient. The award recognizes "the next generation of powerhouse Black attorneys who have practiced at least five years and are forty years old or younger, or those attorneys who are over forty years of age but have practiced law for less than ten years."

Precious defends her clients against large breach of contract cases and consumer class actions in the technology, energy, food and beverage, and financial services industries. Clients hire Precious not only to provide counsel for their current legal needs, but also to evaluate their business strategies and advise on long-term business goals as they may intersect with issues in any pending or threatened litigation.
