In its annual list of the top 100 lawyers in California, the *Daily Journal* highlights Partner Laurie Edelstein for her work guiding high-profile clients like Pacific Gas and Electric (PG&E) and Meta through high-stakes litigation. As the *Daily Journal* notes, she leads the firm team representing PG&E in civil litigation arising from California's largest wildfire last year, along with partners Reid Schar and Amy Gallegos. For Meta, Laurie led a team that secured dismissal of a potential class action regarding the Video Privacy Protection Act, along with partner John Flynn. Dedicated to pro bono service, Laurie is partnering with the ACLU and Lambda Legal Defense Fund to challenge Oklahoma's new ban on gender-affirming medical care for transgender adolescents.

A partner in the firm's Energy and Technology Practices, Laurie helps companies nationwide achieve success in contract disputes, competition issues, regulatory obligations, negligence allegations, and consumer challenges.
