

Session 6 - Information Exchanges: Navigating Antitrust Risk Without Safe Harbors

Date: Tuesday, June 25, 2024

Time: 10:00 am PDT, 12:00 pm CDT, 1:00 pm EDT, 6:00 pm BST

Length: 60 minutes

Presenters: Chris Abbott, Doug Litvack

In recent years, information exchange has become a priority for both government antitrust enforcers and private antitrust plaintiffs. Across industries, business practices such as benchmarking and algorithmic price setting are under increased scrutiny. And the withdrawal of agency guidance providing information exchange “safe harbors” has only increased the uncertainty surrounding these common practices. This CLE will cover the antitrust theories of liability that arise from information exchange, provide lessons learned from recent enforcement actions, and provide tips to know when to call antitrust counsel for guidance.

Those seeking CLE credit in states with pending status or if your state is not listed you should still make note of the CLE code and fill out the CLE evaluation form. We will process all CLE requests and will strive to secure accreditation. However, please be aware that the granting of credit is at the discretion of each jurisdiction. We kindly ask for your patience during the process. Due to the high volume of submissions, it can take up to 30 days for processing.
