Jenner & Block Partner Alison Stein was featured in *Variety*'s 2024 Legal Impact Report, which recognizes "entertainment's top dealmakers and litigators."

Alison's profile highlights her role as Co-Chair of the firm's AI Task Force and her work providing clients with guidance and insight on the myriad issues implicated by generative AI. In 2023, Alison continued to serve as a key counselor to Meta in connection with the Oversight Board and is advising Meta on legal issues and strategies surrounding Smart Glasses.

"This past year, I have seen firsthand through my legal advising how the wearable, hands-free AR glasses have not only been embraced by the general public beyond what one could have imagined, but will likely have tremendous pro-social uses. I predict a lot of exciting developments in 2024," Alison said in her profile.
