

“How Federal And State Microfiber Pollution Policy Is Evolving,” *Law360*

Publications

June 12, 2024

By: Arie T. Feltman-Frank

In an article for *Law360*, Associate Arie Feltman-Frank examines federal and state efforts to address synthetic microfiber pollution from textiles and discusses what might lie ahead in this evolving space.

[Read More](#)

“In addition to tracking efforts aimed at better understanding and reducing microplastics pollution, entities in the textile industry should consider greenwashing risk associated with statements concerning products that may shed synthetic microfibers into the environment,” he writes.
