

# 41st Cambridge International Symposium on Economic Crime

## Event

September 2, 2024 — September 4, 2024  
Speakers: Charles D. Riely, Rob Dalling

Partners Charles Riely and Robert Dalling will speak during the 41st International Symposium on Economic Crime.

The symposium brings a unique level and depth of expertise to address suspect assets, one of the biggest threats facing the stability and development of economies and explores the theme of what has become a primary strategy in addressing not just acquisitive criminal activity, but also the control of wealth by those who pose a threat to our wellbeing.

This year's symposium will be held at the University of Cambridge, from 1 to 8 September 2024. Charles Riely's sessions are on Monday 2 September and Tuesday 3 September and Rob Dalling session is on Wednesday 4 September.
