

# Allison Douglis Leads Workshop on Generative AI

## Event

September 23, 2024

Speakers: Allison N. Douglis

Jenner & Block Associate Allison Douglis, in partnership with Volunteer Lawyers for the Arts (VLA), will lead a workshop titled, “Generative AI: What Creators Should Know,” on September 23. This comprehensive webinar was designed specifically for creators seeking to stay informed and protect their intellectual property in the digital age.

The workshop will explore the new developments in generative AI technology, what generative AI means for the creation and protection of copyrighted works, and how to navigate the complex litigation and regulatory landscape surrounding it.
