The summit will be held on Thursday, October 24, and allows attendees to engage with industry leaders as they explore the latest developments, challenges, and opportunities in cryptoassets and blockchain, including market trends, technological advancements, institutional adoption, legal matters, regulatory challenges, and more.

As lead of the firm’s Blockchain practice, Kayvan helps clients navigate uncharted legal waters and resolve litigation and enforcement matters that threaten their way of doing business. Focused on the blockchain industry since late 2016, Kayvan has advised on projects worldwide across the blockchain ecosystem.
