A Jenner & Block team advised Silgan Holdings Inc. (Silgan) in closing its acquisition of Weener Plastics Holdings B.V., a leading producer of differentiated dispensing solutions for personal care, food, and healthcare products, for an enterprise value of €838 million. Weener operates a global network of 19 facilities predominantly in Europe and the Americas, with approximately 4,000 employees and proprietary manufacturing technologies, including significant clean room capabilities. Silgan entered into a definitive sale and purchase agreement for the transaction in July.

Linklaters LLP served as co-counsel on the acquisition.

Silgan financed the acquisition through term and revolving loan borrowings under its senior secured credit facility, which included a €700 million incremental term loan. Jenner also advised Silgan on the financing.
