

“The Power of Pro Bono,” UK Pro Bono Week

News

November 6, 2024

In recognition of UK Pro Bono Week 2024, we want to recognise the contribution of the London office and the impactful work that it does to help individuals, charities, NGOs, and community groups obtain effective legal representation. This work helped the firm surpass its five-year commitment of providing \$250 million in free legal services to those in need of access to justice — a year and a half ahead of schedule.

Since 2021, (only five years after opening its doors in London) Jenner & Block has firmly placed itself amongst the leaders in pro bono work, having been consistently ranked a top firm by the *American Lawyer* for international pro bono service on its Pro Bono Scorecard. Earlier this year, every associate from our London office was featured in the Pro Bono Recognition List of England and Wales, which recognises all those in the legal profession who commit to providing a minimum number of 25 pro bono legal assistance hours in the year.
