

Business and Human Rights Regulatory Landscape: The Growing Divide Between Europe and the United States

Event

March 18, 2025

Speakers: Lucy Blake

Partner Lucy Blake will be speaking at the BIICL's Business and Human Rights Regulatory Landscape event on March 18.

The event will explore the transatlantic divide between the US and Europe, particularly around corporate human rights and environmental due diligence (HREDD) requirements, diversity, equity, and inclusion (DEI) policies, and environmental social and governance (ESG) regulations.
