

Partner Suedeem Kelly Speaks on Navigating Energy and Decarbonization Developments

Event

March 25, 2025

Speakers: Suedeem G. Kelly

Co-Chair of Jenner & Block's Energy Practice Suedeem Kelly spoke at Decarb Summit's Higher Education: Advancing Sustainability & Decarbonization Summit on March 25.

The event brought together university leaders, sustainability experts, and industry professionals to explore the future of energy and decarbonization. Attendees also had the opportunity to gain insights from top experts in campus sustainability and decarbonization; learn best practices from real-world case studies; discover innovative financing and procurement strategies; and network with sustainability leaders and decision-makers.

Suedeem is a highly recognized energy practitioner and former commissioner with the Federal Energy Regulatory Commission (FERC). She also served as chairwoman and commissioner for the New Mexico Public Service Commission and was a lawyer for the Natural Resources Defense Council and US Environmental Protection Agency.
