

Jenner & Block Lawyers Author Patent Overview in Lexology's *Panoramic: Patents 2025*

Publications

April 28, 2025

By: Amr O. Aly, Aaron A. Barlow

Partners Amr Aly and Aaron Barlow and Associate Paaras Modi provided an overview of patent law around the globe in Lexology's *Panoramic: Patents 2025*. The authors addressed transformations within the patent landscape characterized by legal reform and technological advancements in North America, Europe, and Asia.

[Read More](#)

They examined the impact of the Federal Circuit's May 2024 ruling in *LKQ Corporation v GM Global Technology Operations LLC*, which overturned the decades-old Rosen-Durling test for design patent obviousness determinations. Additionally, they analyzed two notable changes to the European patent landscape and provided an overview of recent changes to patent law in India and China.
