

Partner Lucy Blake to Speak at London International Disputes Week (LIDW)

Event

June 5, 2025

Speakers: Lucy Blake

Partner Lucy Blake will be participating in a London International Disputes Week (LIDW) member-hosted panel discussion titled “The Debate: Have ESG Claims had their Day?” in London on June 5, 2025.

The subject for debate is: Following high-profile dismissals of climate change actions in a number of jurisdictions, and with a global geopolitical trend towards deregulation, is ESG litigation risk for businesses waning? Lucy and her co-panelists from Pinsent Masons, Portland Communications and Henderson Chambers will discuss.
