

Partner Shoba Pillay to Speak at Practising Law Institute's Internal Investigations Program

Event

June 11, 2025

Speakers: Shoba Pillay

Shoba Pillay, Co-Chair of the National Security and Crisis Practice and Partner in the Investigations, Compliance, and Defense Practice, will speak at Practising Law Institute's Internal Investigations 2025 program on June 11.

[Register Here](#)

Shoba will join the panel "Concluding the Internal Investigation," which will address best practices for reaching findings, approaching employment decisions, selecting appropriate corrective actions and remediation, memorializing conclusions, determining whether to prepare written reports and what to include, handling third-party requests for report access, and deciding whether to self-report.

Drawing on her background as a former federal prosecutor, Shoba provides strategic counsel to clients on mitigating and responding to cybersecurity risks and national security threats, managing and navigating the aftermath, and developing robust regulatory compliance programs.
