

Three Jenner & Block Partners Named to *Forbes*' Best-In-State-Lawyers List

Recognition

June 26, 2025

Partners Annie Kastanek, Emily Loeb, and Alison Stein have been named to *Forbes*' inaugural Best-In-State Lawyers list, which recognizes top lawyers from across all 50 states. The list highlights lawyers “who can best meet your legal needs, be it litigation, tech transactional, employment, intellectual property, civil rights, M&A, or private equity.”

Annie's profile highlights her role as Co-Chair of Jenner & Block's Appellate and Supreme Court Practice. Annie has argued more than 50 federal appeals, briefed over 200 cases, and tried 13 federal cases involving complex civil and criminal matters. “When you understand both trial dynamics and appellate implications, you can craft strategies that work across forums from the very beginning of a case,” Annie explained.

Emily's profile highlights her role as Co-Chair of the firm's Congressional Investigations Practice and Government Controversies and Public Policy Litigation Practice, where she advises major corporations and institutions facing complex investigations, congressional inquiries, and public scrutiny. As a former Associate Deputy Attorney General at the US Department of Justice and a former Associate White House Counsel, she has extensive experience preparing witnesses for high-stakes appearances, conducting internal investigations, and devising holistic risk management strategies. Emily founded the firm's Global Hearing Preparation Practice, which equips clients to manage reputational and legal risks across jurisdictions worldwide. Recognized by *Chambers USA*, she is known for her strategic guidance to senior executives navigating overlapping regulatory, civil, and criminal challenges.

Alison's profile highlights her role as Co-Chair of the Content, Media, and Entertainment and Technology Practices. Trusted for her sharp legal judgement and strategic approach, Alison guides clients through matters involving copyright, trademark, content moderation, AI and immersive technologies, DMCA compliance, trade secrets, defamation, and contractual and licenses disputes.
