

# Grace Signorelli-Cassady to Discuss AI and Economic Growth in Indian Country at Wiring the REZ

## Event

September 26, 2025

Speakers: Grace C. Signorelli-Cassady

Associate Grace Signorelli-Cassady will speak on a panel on artificial intelligence in Indian Country during Wiring the REZ at the Arizona State University Sandra Day O'Connor College of Law on September 26.

Grace will discuss how AI supports negotiations, economic strategy, and enterprise growth. She will analyze how tribes can utilize AI in negotiations to facilitate economic growth, with a focus on rights-of-way and oil, gas, and minerals lease negotiations.

As a member of the firm's Native American Law Practice, Grace leans on her experience in high-stakes litigation, sensitive investigations, and as a former federal law clerk to deliver significant victories for tribal clients.
